**CITY OF EDINA
SR. RECREATION FACILITY MANAGER**

The City of Edina has an exciting opportunity for an experienced Recreation Facility Manager to lead two of its premier facilities, Edinborough Park and Edina Aquatic Center. The Sr. Facility Manager will provide strategic planning, leadership and direction to these assigned recreation facilities and programs.

Edinborough Park is Minnesota's unique, completely enclosed one-acre indoor public park. In addition to a pool, fitness area, multi-purpose gymnasium, amphitheater, birthday party plateau and recently added concessions and guest services area, Edinborough Park features Adventure Peak, one of the largest and busiest indoor play structures in the country! The **Edina Aquatic Center** is one of the Twin Cities best outdoor waterparks. The main attractions are an Olympic-sized pool, waterslide tower, playground, concession stand, cable ride and a child's zero entry pool. Ever-improving, the Aquatic Center will be adding a FlowRider for the upcoming season.

Requirements include five years of experience managing recreation programs and facilities, including at least two years of managing full-time staff. Required bachelor's degree, master's degree preferred, in a related field. Experience managing an aquatics facility preferred. Salary range is \$75,000 - \$90,000 depending on qualifications. Applications will be accepted until position is filled. More information is available at www.cityofedina.mn.us/jobs.
