EXHIBIT HALL

NEW DATE

The 2010 MRPA Annual Conference Exhibit Hall will be held April 14. MRPA is moving its annual conference to the spring this year due to MRPA's involvement in a national convention being held in the Twin Cities during our normal conference time. We've adjusted our booth rates as we realize many vendors joined us this past fall at our 2009 exhibit hall. The annual conference will return to the fall season in 2011.

EXHIBIT HALL PROGRAM

1:30 p.m. - 4:30 p.m.

Wednesday, April 14

Welcome to the 73rd Minnesota Recreation and Park Association (MRPA) Annual Conference, Minnesota's leading industry show for park and recreation professionals and agencies. The 2010 conference opens with you and the exhibit hall. Meet influential leaders in the parks and recreation profession: park superintendents and directors, outdoor and therapeutic recreation specialists, facility managers, forestry professionals, park rangers, environmental educators and purchasing agents from a variety of municipal, county, state, and private facilities.

EXPAND YOUR CUSTOMER BASE

The 2010 Exhibit Hall will be held at Mystic Lake Conference Center, Prior Lake, Minnesota. Three hours has been designated for conference delegates to visit exhibitor booths, of which two hours are dedicated solely to the exhibit hall. Exhibit hall attendees will take part in a challenge that requires interaction with vendors to win valuable prizes. This will ensure that you will have the most possible opportunities to meet with potential customers and gain invaluable company exposure.

WHO IS MRPA?

Minnesota Recreation and Park Association (MRPA) includes nearly 950 professionals and citizens directly involved in providing park, recreation, and leisure services across the state. MRPA is Minnesota's leading nonprofit organization dedicated to building healthy communities and individuals through development of excellent recreation facilities, services, and staff.

MRPA, through its members, improves the quality of life in our state and creates opportunities for all Minnesotans to live healthy lifestyles through participation in physical activity in the state's diverse natural and cultural settings. We expect approximately 250 delegates representing 100 to 150 public park and recreation agencies across the state to attend the 2010 conference.

NEW PARTNER

In 2010, MRPA will partner with the National Independent Health Club Association for the annual conference event. So you'll see new faces and organizations represented at this year's event.
