MRPA

Mentorship Program

Grow Together

Creating mutually beneficial relationships among Minnesota recreation and park professionals.

MINNESOTA
RECREATION AND PARK ASSOCIATION

Benefits for Mentees:

- Be introduced to new opportunities
- Receive feedback regarding various skills
- Gain personal and professional development
- Receive support and direction for new endeavors
- Share challenges and successes

Benefits for Mentors:

- Inspire and improve the career of others
- Provide guidance to others in the profession
- Gain a new perspective about the profession
- Learn about new trends in the industry
- Network with other professionals in the field

The MRPA Mentorship Program enables students and professionals at any level to be paired with an experienced or distinguished professional for an experience that can last a lifetime.

Interested individuals are encouraged to apply from all areas within the park and recreation profession. This program will benefit all professionals seeking to enhance their career.

Those interested in participating will need to complete and submit a brief application by December 16, 2022 to MRPA. The mentorship committee will review the applications and create the mentorship pairs taking into consideration compatible characteristics, individual objectives, and geographic location.

A series of three meet-up events and two meet on your own events will be scheduled to provide each mentorship pair the ability to set goals, build relationships, and share experiences.

Schedule of Events:

Mentorship Reveal

January 13, 2023 | 9:00am-9:30am
(Annual General Meeting)
Owatonna, MN

Meet on Your Own
